

Hamilton Junior Naturalist Club

Term 3 Programme 2011

Meetings at 7pm, Hort Centre, Hamilton Gardens Gate 2

(unless advised differently)

- | | | |
|-----------|----|--|
| August | 5 | The Jungles of Borneo Helen Ranson, Wintec, has recently come back from a conservation trip to Borneo. Helen will talk about life in the jungle and the efforts to save the native mammals (monkeys, chimps, elephants etc) from deforestation in these 130 million year old forests - the oldest in the world. |
| | 12 | Radio Hams (is that pigs with radios?) Ian Honey, University of Waikato. |
| | 19 | Adventures in Mongolia Dr Neville Ritchie, Department of Conservation Archaeologist, has recently returned from a 6 week survey in Mongolia. |
| | 26 | Superconductivity If you don't know what superconductivity is, you'd better come along tonight so that Colin Milne (University of Waikato) can explain it to you. |
| | 28 | Working B at Te Kauri Lodge – Plenty of things to do! |
| September | 2 | Foodwebs – What Are They? Michael Pingram, University of Waikato. |
| | 9 | Fire! What is it Exactly? Barbara Ryan, University of Waikato. |
| | 16 | Food Technology – Could There be an Interesting Career Here? Professor Janis Swan, University of Waikato. |
| | 18 | Titiraupenga Tramp (Pureora Forest Park) Postponed from last term – details regarding directions, times etc will follow. Ring Dave 846 4013. |
| | 23 | Rockets Steve Chrystall, University of Waikato. |
| | 25 | Hakarimata Summit Tramp Afternoon walk up to the summit on the new track. See extensive views of the Waikato from a 5 metre high lookout tower. Ring Dave 846 4013 for details. |
| | 30 | Supercapacitors and Splats Nihal Kularatna and Stewart Finlay, University of Waikato
(last Friday for Junats, end of term is 7 October) |
