

## Hamilton Junior Naturalist Club

### Term 4 Programme 2011

Meetings at 7pm, Hort Centre, Hamilton Gardens Gate 2

(unless advised differently)

October	28	<b>Climate Change – Is it Happening?</b> Liza Storey, University of Waikato.
	29 / 30	<b>Working Bee at Te Kauri Lodge</b> Choose whether to come on Saturday or Sunday – or both days if you like. We'll be working on the museum and various other jobs around the Lodge. Some Junats may be able to help with Rat Monitoring on either or both days. Might be time to do a small tramp as well. Contact Mike or Dave if you intend coming.
November	4	<b>Epiphytes (what on earth is an epiphyte?)</b> Catherine Bryan, University of Waikato.
	11	<b>A Roscha</b> Dr Richard Storey, University of Waikato (you have to come to find out more!)
	18	<b>Maui's Dolphin</b> Research Update - what's happening to this delightful little creature? Are their numbers increasing or declining? Garry Hickman, Department of Conservation.
	25	(nothing planned – any ideas?)
December	2	<b>When Good Plants Go Bad</b> Darion Embling, Biosecurity Officer, Waikato Regional Council.
	9	No Meeting
	11	<b>Tiri Tiri Matangi</b> Guided by iconic New Zealander and Junat John Kendrick – details in last week's email. Contact Dave soon to book your place on the ferry..
	18	<b>BBQ</b> 4pm at Dave's place to celebrate the end of the year.
January	8-14	<b>Summer Camp at Te Kauri Lodge</b> 8 to 14 January, 2012 – details to follow

Other events coming up next year: Easter trip to Tongariro National Park (April 6,7 and 8) and Winter Camp 9 – 13 July (second week of the holidays).
